CE DECLARATION OF CONFORMITY

Aluminium Clad Wood Fixed & Shaped Windows

Fixed window for use in residential and commercial areas.

This profile is available in CORA and NORDWIN aluminium cladding.

Resistance to wind load	Test pressure Frame camber	SN	
Water tightness	Pressure Pa Water tightness	900 E900	*(VN)
Inflammability		SN	
Air permeability		SN	
Glass unit tested	Total thickness of glass unit Structure of glass unit	24 mm 4/16/4LowE+arg	
Airborne sound insulation index R_w (C;Ctr) dB		SN	
Heat transfer coefficient		1,5	*(U)
Product reliability	Number of cycles Reliability Class	SN	

SN – feature not indicated
