## CE DECLARATION OF CONFORMITY

LST EN 14351-1:2006

### HS78 Lift&Slide

Lift-and-slide (HS), A and K opening type bypass leaf doors, for use in residential or commercial areas.

(This profile is available in MIRA CLASIC aluminium cladding)

Resistance to wind load	Test pressure Frame camber	<b>Class 5</b> <b>Class C</b>	*(8.20.13)
Water tightness	Pressure Pa Water tightness	<b>600</b> <b>9A</b>	*(8.20.13)
Inflammability		<b>SN</b>	
Air permeability		<b>Class 4</b>	*(8.20.13)
Glass unit tested	Total thickness of glass unit Structure of glass unit	<b>Not indicated</b>	
Airborne sound insulation index $R_w$ (C;Ctr) dB		<b>SN</b>	
Heat transfer coefficient		<b>U-value calculated according to LST EN ISO 10077-1 standard</b>	
Product reliability	Number of cycles Reliability Class	<b>Class 3</b>	*(8.20.13)

SN – feature not indicated
