It was originally opened in 1994 and sits in 530 acres of parkland near Dunlavin. If you have ever visited Rathsallagh House Hotel you will be wowed by the Hampton style layout of the building which sits on a raised platform with full and expansive views of the manicured golf course.

### Replacement of Windows and Doors

Signature window was invited to replace a series of traditional Sliding Sash Windows and French Doors which open onto the wrap-around veranda. The Signature painted the wood units with panels that were a perfect match for the old doors and maintained the old-fashioned glamour of a bygone era.
