A recent upgrade in performance and aesthetics with bespoke traditional casement windows and doors

The dream family house in a very sought-after area in the heart of Dublin had one major problem with its poorly installed PVC windows: the draught coming into the house made the rooms extremely uncomfortable.

The key objective was to increase thermal comfort and to achieve the perfect design and colour to the new windows. Also, the main challenge was to adjust the design of the bay windows so they would perfectly fit into the existing frames.

Signature Windows 'designed around you'.

The in-house technical and design team at Signature windows was well up to the task with over a decade of experience in solving similar problems.

The “designed around you” capability of the Signature traditional product range made it possible to design a window to suit the exact specifications, exceeding the customer’s expectations.
