## Signature Windows School Buildings Solutions

Get a free consultation for your 2017 School Summer Works Scheme from the Signature Windows team. Our highly skilled and experienced technical and design engineers together with our in-house historic window replacement experts and installation team will look after every aspect of your project from start to finish.

The school building windows replacement programme has proved very successful over the last few years with schools such as Oatlands College, Griffith College and Our Lady's Secondary School in Ranelagh to name but a few.

**Free On-Site Consultation to advise you on  
your Window Replacement Programme under  
the Summer Works Scheme**

On-site consultation includes:

**Initial Survey** – preliminary site visit to measure openings and discuss requirements.

**Detailed Proposal** – including for removal of original windows and doors, design, manufacture, supply and installation of new windows as well as making good.

**Programme Schedules** – based on vast experience of installing windows in occupied schools and working to strict time lines within challenging environments.

**Proven Track Record** – case studies of recently completed school building projects, client testimonials and references.
