

School Windows Cost Plan Support & On-site Consultation

St Paul's College, Raheny

Signature Windows & Doors School Buildings Programme

Delivering your school building project by the start of the new academic year involves meticulous planning and commitment from all trades involved. Making the right choices in material and design is vital as is choosing the right partners to work with.

Signature Windows & Doors has a dedicated and experienced [School Building Programme](#). Our extensive experience with the Department of Education Construction Sector makes specifying and procuring windows and doors simple for you.

Our effective **5 Point Window & Door Procurement Programme** allows adequate

time for preparation and reviewing of tender documentation and supports you with cost planning and value engineering.

1. **On-site consultation** - May-June 2017 preliminary site visit to measure openings and discuss requirements.
2. **Cost plan support** - detailed proposal/value engineering, including for removal of original windows and doors, design, manufacture, supply & installation.
3. **Technical/Installation Methods** - provision of shop drawings illustrating installation details and performance characteristics.
4. **Place order** - detailed order form agreed and windows manufactured within 8-10 week timeline.
5. **Programme Schedules** - based on vast experience of installing windows in occupied schools and working to strict time lines within challenging environments.
